Board Topics

We are always open to creative solutions and welcome any suggestions that will help. At the end of the day, we are in this together and need to work together.

New Construction

We have a Home, a Duplex and an extensive remodel finishing up this year. For 2019, an application for a condominium project on Water Street that is expected to commence building this year. If you would like to be heard on any building projects, please come to a Planning & Zoning Commission meeting. They are normally on the second and fourth Tuesday nights when posted. Postings are at the entry to the Town Offices, in the office and at the Post Office.

OR...better yet, see next column "P&Z Commission"!

Employment Opportunities

The Town of Red Cliff has openings in Maintenance and the Office. Give us a call for information! EOE

Planning & Zoning Commission

We are in search of two to three more members for the Commission. Currently the open seats are held by Board of Trustee members until they can be filled by others. The town will be scheduling a training date for the Commission and BOT; everyone will be welcome to attend. No special knowledge is required for these positions. Just an open mind and the ability to represent all residents along with themselves.

If you are interested in being on the P&Z Commission, call, email or come by the Town Offices for an application. Applicants must be 18 y.o. or older, be a current resident and have resided in Red Cliff for a minimum of one year. The positions are appointed by the BOT.

Red Cliff Christmas

Our Christmas event this year started out with happy voices, even with the chilly temperatures. The caroling through town to seniors' homes got many positive comments and smiles. We had roughly 20 people caroling as we wandered through town. A big thank you to Izzy for pulling the caroling together.

On to Mango's for their generous donation of hot chocolate for everyone. A bake sale to raise funds for the Community Fund was included...thank you to all the great bakers and candy makers that donated their time for the great goodies for the benefit of our community.

Red Cliff Christmas

Continued...

Santa came to give presents and toys to all the good girls and boys in the town; which were quite a lot as they have all been good!

Parking...Parking...Parking...

I'm sure everyone will agree that one of the top problems the Town of Red Cliff has is parking. The Town recently towed a couple of cars. One parked in tow-zone and one that was sitting for a while with no plates. As unfortunate as it is, this was the first time a change was made. Ticketing has not helped with the problems and notices have not had any results either. Please be part of the solution and AVOID getting your car towed away (at your expense) when parking on the street.

Please move your car a minimum every 72 hours.

Do Not park in front of a fire hydrant.

Do Not park within 20 feet of a corner or on any bridges.

Do Not block any of the Town Snow Dump areas.

You also may be towed if you are parking on private property without permission. All property in the Town is owned by someone – all vacant lots do have owners. Please make sure if you are parked on someone else's property – you have permission from the owner.

Happy Birthday!

Happy birthday to Flint, Isaiah, and Gabriella who are celebrating this month!

If you are under 18 and have a birthday this month and I didn't mention you...be sure to let us know at the town office and we will put you on the birthday book list for the Community Fund Board!

Board Banter

Board Banters are discontinued through the Winter. We hope to resume in the Spring. The Town Board and Staff are happy to answer any questions and hear any comments when they are out and about. We do have openings on Boards and Commissions and Staff positions. Please do come and talk with us. The more people get involved, the better job we can do.

New Years' Resolutions

There is a lot of distrust and fear roaming throughout our country and in other countries as well. As a Town, let's resolve to do better than the average and try to do the following.

- Make time to take care of yourself and do one thing good for yourself every day. A nice walk, a healthy meal, a good book or a day with your favorite activity...whatever makes you feel good even if for only 15 minutes a day.
- Do one thing good for a neighbor every day; even if it's just a "Good Morning". Maybe shovel in front of their door after yours or pick up the extra piece of dog poop that's not even your dog's.
- Give someone the benefit of your doubt – they may have a problem or sad issue that you know nothing about. Give them your smile.
- Think about kindness. What little thing can I do today that will make a positive difference to someone: a friend, family, neighbor or stranger.

Thank you for all You do for Your Town!
