Scheduled BOT meeting dates are: **October 15, November 5, and November 19.**

All are WELCOME – And we love having an involved community!

There are no meetings scheduled for the P&Z Commission at this time.

Welcome New Trustee: Dana Veljacic – Still 1 open seat!

We are excited to announce that Dana Veljacic has joined the Board of Trustees as of October 1st. Although new to small town politics, Dana is not new to our area. She has been a resident of Eagle County for 23 years and was drawn to the beauty of Red Cliff from the beginning. She is a homeowner and her daughter has grown up here. Dana is excited to help with town activities and to be a part of the inevitable growth and innovations in town. We are confident that she will be an asset to the Board and a benefit to our community.

HALLOWEEN SAFETY TIPS

- Make sure your trick or treaters go in groups. Don't let them go alone!
- Be sure to have them take a flashlight in case it gets dark.
- If they do bring their phones, make sure they are not looking at them when they cross the street!
- Be sure to only visit well-lit houses.
- Never let them enter a home without a trusted adult.
- Encourage the kids to avoid masks which may obstruct vision. Instead, use bright colored face paint you have previously tested to make sure no reactions occur.
- If nervous about darkness, you can feel free to put reflective tape on your child's basket and/or costume.
- Stick to neighborhoods you're familiar with.
- Sift through and inspect your child's collected candy before letting them eat any!

MOM SQUAD

Be sure to check out the Streetscape website!

SGM is the company who will be planning out our streetscape project. They have setup a website just for residents to share ideas.

Check it out here:

If you feel more comfortable talking to the town staff, you can certainly do that as well, and we will convey your comments, ideas, concerns, etc.

Census, 2020 – We need you!

Census 101

Everyone Counts
The census counts every person living in the U.S. once, only once and in the right place.

It's about fair representation
Every 10 years, the results of the census are used to re-apportion the House of Representatives, determining how many seats each state gets.

It's in the Constitution
The U.S. Constitution requires a census every 10 years. The census covers the entire country and everyone living here. The first census was in 1790.

It's about Redistricting
After each census, state officials use the results to redraw the boundaries of their congressional and state legislative districts, adapting to population shifts.

It's about \$675 billion.
Census data determine how more than \$675 billion are spent, supporting your state, county and community's vital programs.

Taking part is your civic duty.
Completing the census is required: it's a way to participate in our democracy and say "I COUNT!"

October Birthdays!

Happy birthday to Shaylene who is celebrating this month!

FREE Community Dinners – Coming soon...

A group of local youth will be preparing and serving a monthly dinner at Town Hall that will be FREE to all Red Cliff residents. We are excited to partner with Vail Ski & Snowboard

Academy to bring this program to our town. They have been offering this in Avon for a

couple of years and we think that the addition of a Red Cliff location will truly benefit our community. More information to come.

Save the Date – November 23rd will be the Community Thanksgiving Dinner

We will once again join at Town Hall to enjoy Turkey, Stuffing, and all of the delicious side. There will, of course, be BINGO and great conversation with neighbors! Mark your calendars!
